

TALENT SOURCING MADE EASY

WHAT IS EASYSOURCE?

EasySource by HireQutoient is a talent sourcing tool that automates the candidate search and outreach process. This is done by filtering millions of resumes and profiles to present the most qualified candidates for a job opening.

A diagram showing a series of overlapping dropdown menus for filtering candidates. The filters are: Job title, Education, Geography, Experience, Skills, and US work Authorization. Each filter has a downward arrow indicating it is a dropdown menu.
